Training Requirements for Foster Parents:

For the year of 2018, foster parents are required to complete 12 hours of training annually.

Foster parents that will be having their first annual inspection, since their licensure are to complete the following four (4) trainings found on the QPI website www.qpinevada.org:

- The Development Web: A Perspective on Learning and Behavior Problems
- Effective Discipline in Developmental Stages
- Trauma and the Impact on Children in Foster Care Part 1 and Part 2

Foster parents that have completed these required trainings in previous years, must complete 12 hours of specific classes within their license parameter. For example, if you are licensed for teenagers, please choose trainings relating to parenting teens. Your licensing representative may also recommend specific classes pertaining to your family's needs.

In addition, if you did not complete the two (2) classes below in 2017, please include these classes as part of your 12 hours that can also be found on the QPI website www.qpinevada.org

- Normalcy: Let Kids be Kids Training video
- Clark County Family Services: Are you ready? Emergency Preparedness Training

New Federal guidelines require all foster parents to update the "Emergency Preparedness" form annually, which includes an in state and out of state emergency contact.

Pediatric CPR and Car Seat Training are also required to be completed in person by all foster parents. CPR is required to be completed every other year and Car Seat Training is required to be completed every 3 years. Training dates can be viewed on the QPI website www.qpinevada.org

To register for these trainings contact the Parenting Project at (702) 455-5295 or by email at DFSParentingProject@clarkcountyNV.gov
