RE: Southern Nevada Royal Family Kids

To: Director of Foster Parent Champion

My name is Cynthia Dick and I am an associate pastor at Discovery Church in North Las Vegas, Nevada. I am writing to inform you of a camp that we will be doing this summer. Royal Family Kids, Inc. is the nation's leading network of camps and mentor clubs for children of abuse, abandonment and neglect. Our non-profit organization (501c3), Southern Nevada Royal Family Kids, will be working with both Discovery Church and Royal Family Kids, Inc.

We have a history with the Clark County foster care system as we have put on this camp for nine years in a row before taking a break due to some transitioning. Last Summer of 2016, we reestablishment the camp to help foster children, ages 6-12, experience a life-changing camp. For the last four years, our team has been fundraising and creating a 501c3 to rebuild the camp to continue serving the foster kids in our community. We are taking the appropriate steps and training for camp again. Our date for this year camp is July 10-14, 2017. The mission of our camp is to provide a week of royal treatment for children from abused and neglected backgrounds and to promote their well-being through a safe and hopeful camp.

The camp will be held at Camp Potosi (forty-five minutes outside of Las Vegas towards Pahrump, Nevada). Registration will take place at Discovery Church and transportation will be provided to get the children to Camp Potosi. We conduct background check, develop, and train volunteer staff and mentors for the camp. Some of the events we provide include: a birthday day where we celebrate camper's birthdays, time in which campers can meet with their counselors and receive one on one mentoring, a talent show, arts and crafts, dress up, and various other fun and safe activities.

We are working with a foster care organizations, to inform foster parents and families of the camp opportunity and registration. This camp is of no cost to foster families or the foster care organization and is completely funded. Attached is the children application, please pass this along to foster care parents. We are looking to take 25 children to camp this year. Should you have any questions, please do hesitate to call me at 702.813.0051. Check the websites that is listed on the email.

Sincerely,

Cynthia Dick
